

Invasion Details – Of The Map Of The U.S.A. —Take special notice of the five major locations of safety zones: Northern New York, Northern Dakota, Northern Washington State, Central Arkansas, and Northern Florida, these are five places that God stated He will keep many alive.

Map by Chuck Youngbrandt

Safety Areas — see map above, [horizontal lines] numbered 1,2,3,4, and 5. These are the ‘general areas’ that God the Father circled with His finger during the vision on the Mount of the Most High. It continues to mean to us that God the Father will provide food and lodging here for many Americans during the war. These are not to be confused with, ‘Green Pastures’ which are smaller areas of safety [some just a few acres in size] scattered across the nation. Many will be led by diving inspiration or angels to these places when the need is most apparent.

Earthquake Zone — lines slanting from North points to South East] Every city and town within this area can be expected to be destroyed or heavily damaged by the earthquake.

Underwater — [criss-crossing lines] Florida’s southern half will be under water. Also some parts of southern Alabama and Louisiana will be under water. The exact areas are not known, but they are quite likely to be low lying areas close to sea level.

Fighting Zones — [bold lines with arrows] Generally speaking, everything within fifty [50] miles of these lines will probably be destroyed by advancing enemy forces. These areas will be combat zones, and battle routes, thereby the sites of many pitched battles. Unless the Lord distinctly leads you to stay in one of these zones, plan to move to safety, after the Chicago earthquake.

LAST U.S. Stronghold — [lines slanting from North points to South West] Here the U.S. Army surrounded by Russian, Chinese and Japanese and other nations armed forces will fight to the finish. Hutchison, Kansas salt mine is likely to be the headquarters for our government and President during the war after the fall of Washington, D.C.

Jesus had said that the Russian armed forces would invade the East coast, at two points North of New York City and three points South of New York City — and has since shown us that the main Russian invasion will take place at Slaughter Beach in the Bay of Delaware by 132,427 troops. A diversionary invasion force of some strength would land on the coast of Virginia. The other points [with question marks] are unknown to us and we strongly suspect that they are designed to seize airfields, as the Russians will make use of airpower to bring in troops and equipment in the early phase of the invasion and to support their drive inland.

The Chinese-Japanese invasions are widely dispersed, and due to Gods intervention, their San Francisco beachhead will be wiped out. Yet later, they will re-take the city by land route from Los Angeles. You will note that Chinese troops will land in Mexico and cross the U.S. border towards San Diego.

You may draw a line in the Rocky Mountains, and in the Appalachian Mountain range [about half way between Pittsburgh and Harrisburg, Pennsylvania] to indicate the general line the U.S. Army will hold against the invaders in the winter of the year of the war...

While China and Japan will give us serious trouble — it will be Russia, who will be the strongest enemy we face in the war and the only one capable of bringing the United States down militarily.

While God is against us as a nation and a people, there is no hope of winning this war. The only hope the nation has rests in repentance, a change of heart, and turning to Jesus Christ wholly.
