Prayers on protecting yourself from psychic prayers

Here is the material I just finished writing about psychic prayers.

Please read it and pray the prayers. Let me know what changes or additions I need to make to make this clearer.

In Him,

Dwight

HOW TO STOP THE EVIL PRAYERS COMING FROM OTHER PEOPLE?

When someone prays, chants, or thinks thoughts about you according to their will for you, they are conjuring up evil spirits against you.

Power to get spiritual beings to do your bidding increases in a person depending upon how far they have gone into the Kingdom of Satan or into the Kingdom of God.

You are attacked the strongest by people who are either on your level of development in either kingdom, or are advanced over you in either Kingdom. It is true that many Christians, who have grown in spiritual power in the kingdom of God, can actually send evil beings against other Christians. Occultists, who are not Christian, can send evil beings against other people who are not Christians.

How do I know this is true? I have been a Christian since I was twelve years old and I am sixty-six years old now. I have been put in bed, felt like I was sick enough to die, been prevented from prospering from many opportunities. I have had bad things happen to me on several occasions because of the prayers of other Christians who had become upset with me, or felt that my ministry was wrong or not of God. I have been setting at my desk, on many occasions, and felt like I was having a heart attack because someone was praying against me.

The closer a person is related to you by blood or authority the more power they have to send evil spirits against you. If you have sexual relations with another person, in God's eyes, you are married to that person. Therefore, that person has power over you as if you were their spouse.

When two or more people agree to pray against you together the attack increases dramatically. If the two who are praying against you are related to you or your spouse the attack increases many times. If the two or more praying against you are on your spiritual level or higher, the attack also increases many times. (One will put a 1,000 to flight and two will put 10,000.) This works in God and Satan's kingdom.

Spirit filled people, who have surrendered to a counterfeit Holy Spirit, can send strong power against you, especially, if there is a group of them praying for you at the same time. A woman or a man, who has decided that you should marry them, can pray strongly against you, especially, if they get other people to pray with them. A person from the occult, who becomes a

Christian, will sometimes use occult powers thinking that it is the Holy Spirit.

These attacks are called psychic attacks. The people praying against you are actually conjuring up evil spirits against you. These evil spirits are like an army of foot soldiers who are coming to attack you.

They use any curses or covenants that you have come into agreement with, and any evil beings that may still be present in you to attack you. The following prayers will help you get rid of the psychic foot soldiers and any curses, covenants, or evil beings still in you.

How will this benefit you? You could actually be killed by these psychic evil beings. It has happened before and could happen again. At the least it will make you uncomfortable, cause you to miss out on opportunities that you may desperately need in your life, make you sick, put you in bed, and make you think you are going to die. Sometimes, they make you think you are going crazy. Sometimes, they will get you in trouble with the law through no fault of your own. Being attacked by psychic evil beings is not a fun thing to have happen to you.

HOW TO PRAY AGAINST PSYCHIC ATTACK

Ask the Holy Spirit to reveal to you any person who may be mad or unhappy with you through your own fault, or because you have done something they do not like.

Ask Jesus to take his blood and annul any covenant or agreement you feel you have with this person(s)

Ask Jesus to send his angels and drive away all the demons that are being sent against you by their thoughts or prayers.

Ask Jesus to establish His angels around you so the psychic demons will not come against you again.

Pray that the Holy Spirit will convict you of any covenants that you may still have with any of these people. When the Lord reveals a new covenant to you, repent of it, ask Jesus to take his blood and annul that covenant, and make a covenant with God that is opposite of the covenant you are getting rid of.

Pray for the person sending psychic prayers against you and choose to forgive them, ask Jesus to fill you with forgiveness for the person(s)

Pray that the Holy Spirit will come upon the person(s) to convict them of what they are praying or thinking against you.

Ask Jesus to remove the darkness over that person and fill them with light. Ask the Holy Spirit to bring conviction upon that person so they will repent of their rebellion and disobedience to Jesus Christ.

Thank God for setting you free from the covenants, evil beings, and the psychic attack you are under.

Begin to praise and worship Him. Father, I thank you that you have delivered me from the power of these psychic demons, and have set me free from all the curses and covenants from my past. I praise You that you have delivered me from all the evil beings inside of me, and all the covenants I have made to come into agreement with them and with any curses from my past. Father, I thank you for doing this for me in the name of Jesus Christ, my Lord, Master, and King.
