Subject: Re: Scattering the Enemy

Let's all come into agreement on this. In Jesus, Dwight

Dwight,

The Lord told me to send out this Word and that He was going to SCATTER & CONFUSE the enemy! That just as Moses when he obeyed God's instructions won the battle:

11 And so it was, when Moses held up his hand, that Israel prevailed; and when he let down his hand, Amalek prevailed. NKJV

I believe that God is going to give people who are on this email list specific revelation and instructions and they are to share them so that EVERYONE can participate in UNITY to scatter and defeat the enemy.

SCATTERING THE ENEMY By Dwight Jester

Transcript taken from Church Of God's Love Revised November 1992

How many of you have been under some kind of attack or pressure or confusion from Satan? I got up this morning and the Lord started talking to me about that. He said "Dwight, are you kind of tired of being attacked and everything happening all the time?" I said, "Lord I really am." The Lord said, "I want you to start praying confusion upon the enemy, that the enemy be confused and scattered".

I asked the Lord why are so many people under attack and why do they stay under attack all the time? The Lord said "I allow that to happen because they stay close to me that way." Then the Lord gave me a vision: if you were a little boy or a little girl and you were with your Father, and it was in the middle of the night, and you were walking through a graveyard; wouldn't you stay close to your Daddy? The point is when the pressure is on you will search for God. But at the same time I don't believe the Lord wants us under the attack that we are under. He wants us to know that He will scatter the enemy for us.

What we need to do is pray about that before we do anything else. We need to scatter the enemy and cause the enemy to go into confusion so that the enemy can not

come against us in any kind of directed or powerful way.

Deut.28:7 The Lord shall cause thine enemies to rise up against thee to be smitten before thy face. They shall come out against thee one way and shall flee before thee seven ways.

It says the Lord shall cause your enemies to rise up against you in order to prove to you that God is ruler and He controls everything in the universe. It is God who is causing it to happen but He wants your agreement that He is absolutely going to scatter the enemy and drive him out of our life. Now how many of us have fallen down right there?

God has not fallen down on His part in any form or way. We have fallen down on our part because we have been under so much attack from the enemy that we spend our time concentrating on what we are going to do with the enemy in our own power rather than standing in the power of God, obeying Him and seeing God deliver us.

Why is scattering the enemy so important? If I have a Porsche automobile that will go 150 mph and I take the motor out of it and lay each piece of that motor out on the floor in my garage; then will that car still go 150 mph? All of the parts are there, all of the pieces are there but they are not in relation with each other. When you scatter the enemy what you are doing is breaking the relationship that each one of those evil beings have with each other and then they are rendered powerless. Satan knows this and for years, and years, and years more than you or I have lived; Satan has caused confusion and scattering of God's people so that they have no power. How many realize that Satan has been doing this for a long, long time? He has been doing that to us but we haven't been doing that to him. Don't you think that it is about time to do it to him?

Lets all stand we are going to scatter the enemy right now in the Name and power and blood of Jesus Christ. Lord, we choose to be the standard that you have raised up against the enemy. It says that when the enemy comes in like a flood the Lord shall raise up a standard. The standard that God is going to raise up against the enemy is you and me. We are the standard that God is raising up and what causes me to be raised up is my absolute agreement and coming into line with the will of the Father. The Father is going to scatter the enemy, God is going to stop the power and the working of the enemy. You and I are that standard and its not anything else, because Jesus Christ is not going to get on a white horse with a big white flag in His hand and ride up and down and say we have won. He is going to get you up and stand you against the enemy.

When we come in agreement and line with God then the enemy will be scattered. So right now we are making a will choice that we are going to come totally in line with the will and purpose of the Father. We are agreeing that right now you are going to

stand up as a standard of God against the power of the enemy.

PRAYER

Lord, it says that one can put a thousand to flight, and two shall put ten thousand to flight. There are about forty or fifty people here and we can scatter and put to flight an innumerable number. Lord, in the Name, and power, and blood of Jesus we pray that right now you scatter the enemies out of our life, that you confuse the enemy, that you bring confusion upon his head, that you scatter him in every way in the Name and power, and blood of Jesus. We stand in total agreement with you that you are doing that and we receive the faith to believe that it is happening right now. Lord, we ask you to do it out of our own life, that you do it out of our families, that you do it out of our Churches, that you do it out of our cities, and that you do it out of our counties in the Name of Jesus.

Lord, we pray specifically for the county of Forsyth, and for the city of Winston Salem and we ask you to scatter and confuse the enemy, especially Asherah, and Mammon, and the intellectual religious Baal that is in every community; that you break it in the Name and power and blood of Jesus Christ. Lord, we pray that you scatter it over Iredell county and the city of Statesville, scatter it over Davidson, and Davie county, over Wilkes county, and over Black Mountain, that you absolutely scatter the enemy in every form.

Lord, scatter Darkness and all Satanic worship and every kind of evil power that is over these areas. The enemy is being scattered and confused just like when Joshua and the children of Israel confused the enemy. When they did it in obedience to God the enemy was confused and the enemy was destroying themselves and they were being turned and swallowed up.

Lord, constantly remind us that we are to be praying, and we are to be interceding, and we are to stand up and be a standard against the power of the enemy at all times in you. Lord, we thank you, and we praise you, we glorify your Holy Name. Thank you that every sickness, every disease, and every physic attack, and every Satanic attack, and every pressure, and everything that is coming against every family, and every individual person in this body we pray that it be broken and scattered off the face of the earth in the Name and power, and blood of Jesus. Hallelujah, praise you Jesus, thank you Jesus we magnify your Holy Name that you are causing it to happen that its being done in the Name and power and blood of Jesus.

Wherever you go, wherever you walk, and wherever you stand, you are the standard of God. You are going confuse and scatter the enemy wherever you go, wherever you work and whatever you do. You are going to put a thousand to flight and two of you are going to put ten thousand to flight.

Plead my cause O Lord, with them that strive with me: fight against them that fight against me. Take hold of shield and buckler, and stand up for my help. Draw out also the spear and stop the way of them that persecute me: say unto my soul, I am thy salvation. Let them be confounded and put to shame that seek after my soul: let them be turned back and brought to confusion that devise my hurt. Let them be as chaff before the wind: and let the Angel of the Lord chase them. Let their way be dark and slippery: and let the Angel of the Lord persecute them. For without cause they have hid for me their net in a pit, which without cause they have digged for my soul. Let destruction come upon him at unawares; and let his net that he hath hid catch himself: into that very destruction let him fall. And my soul shall be joyful in the Lord: it shall rejoice in his salvation.
