

PROCLAIMING RESURRECTION LIFE

I proclaim that my body is the temple of God and I have been bought with a price, the precious blood of Jesus Christ. I now boldly proclaim the blood of Jesus Christ before God the Father. I receive the assurance and witness of the Holy Spirit that God sees the blood of Jesus which is speaking better than the blood of bulls or goats and is crying louder than the blood of Abel.

I proclaim that the blood of Jesus Christ redeems me from all unrighteousness and sin and that every righteous curse of God from Genesis to Revelation is now broken and removed because of the blood of Jesus. I proclaim that Satan is completely overcome by the blood of Jesus Christ and that every unrighteous, and psychic curse of Satan is now broken and lifted by the blood of Jesus.

I proclaim The Word of God is destroying every thing in me that defiles the temple of the living God. Nothing can escape the searching eyes of Him whom we must give account. There is no more hiding place for evil in my body. The blood of Jesus has purged my conscience from all works leading to death and

I proclaim this last enemy [death] is overcome by the blood of Jesus Christ and the resurrection power of God that is now working, mightily, within me.

Wherefore he saith, When he ascended up on high, he led captivity captive, and gave gifts unto men and for this purpose the Son of God was manifested, that he might destroy the works of the devil.

In the Name of the Father, the Son and Holy Spirit, I proclaim that this mortal body is quickened with the life and breath of God Almighty. I proclaim the Son of God manifested in gifts of health, healing, and miracles upon my nervous system, my circulatory system, my respiratory system, my skeletal system, my digestion system, and all other systems and functions in my body.

I boldly proclaim my spirit, soul and body are instruments of righteousness in the hands of God and through the Blood of Jesus my body is sanctified, made holy and set apart for the Father's perfect will. With great confidence I now ask the Father for the release and active working of the creative power of the resurrection life of the Holy Spirit according to the same degree of power and intensity that was wrought when Christ was raised from the dead.

Father, as we have freely received, we freely give in Jesus Name - the release of the miracles that are now flowing out freely from the resurrection life and power of Jesus Christ. Father, let it fill the whole body of Christ in Jesus Name. For our knees will bow in awe and our tongues will confess that no flesh shall glory in this. Only Jesus, only Jesus, Hallelujah, Hallelujah!
